OBJECTION UNDER RULE 18(6) OF THE TRADE ORGANIZATIONS RULES, 2013 AGAINST THE INCLUSION OF RESPONDENT NO. 2 AT SERIAL NO. 13 OF THE ADDITIONAL LIST OF NOMINATIONS DATED 23.11.2026 (FPCCI ELECTION 2027–28)

Respectfully Sheweth:

1. That Appellant No. 2 is a trade organization licensed under the Trade Organizations Act, 2013 ("the Act") and a member of FPCCI, and Appellant No. 1 is its nominee on the FPCCI General Body for 2027–28. Both are competent to object under Rule 18(4) of the Trade Organizations Rules, 2013 ("the Rules") and Note (a) of FPCCI letter No. FPCCI.Elections.2027.28/2026/5223 dated 23.11.2026.

Website: www.phmaonline.com

2. That this complaint/representation as cited hereinabove, previously submitted to the FPCCI Secretary General under Rule 18(4) of the Trade Organizations Rules 2013. Whereas, the FPCCI Secretary General, in the subject matter has not examined and verified the objections/grounds raised herein below in accordance with the Trade Organization Act and Trade Organizations Rules 2013. Decision No. 001 (209)

3. According to the Constitution of Islamic Republic of Pakistan Article 10A, an Order passed without hearing is void. The process was also one-sided. That unequal treatment offends Article 25 of the Constitution and FPCCI, whose own Memorandum & Articles of Association has not been approved, sat as Judge in its own cause.

4. Whereas, the 24-A of the General Clauses Act 1897 requires any power to make order under an enactment – including the Secretary General's power under Rule 18(5) of TOR-2013 be exercised "reasonably, fairly, justly and for the advancement of the purposes of the enactment", with reasons that the affected person may demand. An Order made "without assigning any reasons" violates section 24-A of the General Clauses Act 1897, and discretion must reason on a "finding of primary facts based on good evidence".

5. That nominations closed on **15.10.2026** (FPCCI letter No. TBs/EL.2027-28/2026/4348 dated 02.10.2026) and the Provisional List was issued on **21.10.2026**. By FPCCI letter No. FPCCI.Elections.2027.28/2026/5223 dated 23.11.2026, FPCCI issued an Additional List of entries "earlier excluded" and now included "vide recent directives of the DGTO", inviting objections by 24.11.2026, 1:00 p.m. Respondent No. 2 appears in it as follows:

Sr.	Nominating Trade Organization	Class	Nominee	CNIC / NTN	DGTO directive
13	All Pakistan Aluminium Utensils Manufacturers Association, Gujranwala Licence No. 209	GB (Associate)	Qadir Ahmad Partner, Teflon Metal Ware Industries, 15-A, Small Industrial Estate No. 2, Gujranwala	34101-9764639-5 NTN 2985425-3	DGTO letter dated 16.11.2026

6. That **the undersigned, as per the Rule 18(6) of the Trade Organizations Rules 2013 submits representation that** the entry is unlawful on the following grounds:

(a) **Eligibility and schedule.** An entry is valid only if, on the date of nomination: the member concern holds its own NTN (and STRN where applicable), falls within the nominating body's area, and has renewed its membership on proof of filing returns for the preceding year (Rule 11(1), (4), (5)(b)); the nominee is its proprietor, partner, director or authorized officer not below general manager, registered with the Secretary General (Rule 15); and he is a member of the nominating body (Rule 20(2)). Changes of representative are allowed only within three days of the schedule (Rule 18(2)), and a defect cannot be cured after the schedule (*Abdul Nafey v. Muhammad Rafique*, 2023 SCMR 2096, para 8). The DGTO's directives restored entries to the process "in accordance with law"; they did not certify eligibility. The Secretary General, as custodian of the record, must test the entry (Rules 2(1)(n), 24(2)) and display the list and decisions on the website (Rule 25(e)).

(b) **Tax turnover and class.** A corporate member is a body corporate, multinational, or sales-tax-registered concern with annual turnover of **not less than Rs. 50 million** (Rule 2(1)(g)); every other member is associate (Rule 2(1)(b)). The turnover threshold governs every limb of the corporate class (DGTO clarification F. No. 17(36)/2008-TO dated 01.07.2026, paras 2–4; *Rizwan Shoukat Silk Factory v. Federation*, 2022 CLD 1516). Hence: (i) a person whose return shows turnover below Rs. 50 million, or who is not sales-tax-registered, falls in the **associate** class and cannot be nominated as **corporate**; (ii) conversely, a body corporate or a concern with turnover of Rs. 50 million or more cannot be placed on an **associate** seat, as the label yields to the facts and one NTN cannot be corporate in one place and associate in another (DGTO Consolidated Order No. 37/2026, para 4.9; Order No. 66/2026, paras 4.1–4.5); and (iii) a person filing a **nil** return carries on no business, is not qualified for membership (section 10; Rule 11(5)(b)) and is excluded from voting unless he proves real activity (DGTO Consolidated Order No. 61/2026, para 4.9). Class is fixed by the tax return for the preceding year, verified at each renewal (Order No. 37/2026, paras 4.3, 4.7).

(c) **Licence and membership of the nominating body (sections 6 and 10 of the Act).** Under section 6 a licence must be renewed every five years on an application made 90 days before expiry, and under section 10 only a licensed chamber or association that is a member of FPCCI may send nominees. A body whose licence renewal is pending or undecided, or whose election matter is pending, has no settled authority to nominate, and its nominee cannot be entered

in the list until the matter is lawfully concluded. Respondent No. 1's licence renewal / election matter: License expired 20-04-2026.

(d) **Burden of proof.** These facts lie within the Respondents' knowledge, so the burden is theirs (Article 122, Qanun-e-Shahadat Order, 1984; *Muhammad Hanif Abbasi v. Jahangir Khan Tareen*, PLD 2018 SC 114, para 7). The CNIC, name and NTN in the list must be the nominee's and the member's own (*Khamas Saeed v. DGTO*, 2020 CLD 121 (IHC)). Default attracts an adverse presumption (Article 129(g)), and false particulars attract penalty under section 25 of the Act.

4. That, in particular, Respondent No. 2 is ineligible because:

(a) **A different person appears in the tax record.** On verification of the tax return, the person appearing is **QADEER AHMAD**, not **Qadir Ahmad** as nominated (the entry's own e-mail reads "qadeerahmad751"). Either the nominee has no tax record, or the record belongs to a person who has not been nominated. Either way, **Qadir Ahmad is not entitled** to be the nominee of Respondent No. 1, and the entry cannot be corrected after the schedule has closed (*Abdul Nafey v. Muhammad Rafique*, 2023 SCMR 2096, para 8).

(b) **Partnership unproved.** No partnership deed or firm registration has been shown, nor that NTN 2985425-3 is the firm's own (Rule 11(1)(a); *Khamas Saeed v. DGTO*, 2020 CLD 121 (IHC)).

5. That on verification of the income tax return of Respondent No. 2 / the member concern for tax year 2025 the declared turnover is Nil Respondent No. 2 therefore **does not fall within the definition of an associate member under Rule 2(1)(b)**, the class in which he has been nominated, as **his turnover is above Rs. 50 million / nil** (FBR print-out annexed).

6. It is therefore prayed that the Election Commission, FPCCI may be pleased to:

(a) Set aside the order passed by the Secretary General FPCCI and accept these objection in view of the grounds taken hereinabove, strike off Serial No. 13 of the Additional List, and exclude it from the Final List under Rule 18(8);

(b) Direct Respondents No. 1 and 2 to produce, with copies to the Appellants: the nomination form with FPCCI's diary date; the member's renewal record (Rule 11(4), (5)); the CNIC, NTN; the tax year 2025 return with FBR

acknowledgment; and proof of the nominee's position in the member concern, failing which an adverse inference be drawn;

(c) That the Complainant be given an opportunity of hearing.

(d) grant any other just relief. The Appellants reserve their rights under Rule 18(6) and (7).
