----- Respondents

SUBJECT: APPEAL TO THE ELECTION COMMISSION OF THE FPCCI BY SECRETARY GENERAL, ALL PAKISTAN COPPER IMPORTER EXPORTER ASSOCIATION, AGAINST THE DECISION OF SECRETARY GENERAL OF THE FPCCI, AGAINST THE INCLUSION OF THE NOMINEES OF ALL PAKISTAN COPPER IMPORTER EXPORTER ASSOCIATION IN THE PROVISIONAL LIST OF VOTERS, FOR THE YEAR 2019

The appellant aggrieved with the decision of the Secretary General of the FPCCI under Rule 18(6) of the TOR 2013 made representation to the Election Commission of the FPCCI vide letter No. 787/copper/33 dated 12<sup>th</sup> November, 2018.

**Written statement of the appellant:**

The appellant while contending the decision of the Secretary General of the FPCCI, stated that the nomination form is submitted in FPCCI within due date and the Provisional list of the nominees issued on 27<sup>th</sup> October 2018. And surprised that in Provisional list the General Body and Executive Committee names are not included. This Association has paid two time annual subscription fee and treat this as completion of two years. According to the Trade Act and Trade Rules this association is eligible for casting of vote in the election of FPCCI 2019, under mentioned rules and regulation.

According to Section 11 of the TOA 2013 the office bearers of all trade organization shall be one year and nominated candidate in the election of FPCCI are well reputed with having more than two years valid memberships. More effective circumstance is that this year the President will elect from Balochistan, why the right of voting is not awarding to the well-reputed businessmen in Balochistan.

In the above circumstances, it is therefore request to please add members of this Association in voter list in the interest of justice fair play and equity.

**Decision of the Secretary General of FPCCI**

The Secretary General rejected the initial representation made by the appellant on the following reasoning:

*"As per Trade Organizations Act 2013, Section 10(3):*

*"A Chamber or an Association which is a member of the Federation of Chambers of Commerce and Industry shall be eligible to vote in the election of office-bearers and committees of the Federation on completion of two years of grant of license:"*

The **All Pakistan Copper Importer Exporter Association** was granted License No. 248 by the Ministry of Commerce Islamabad on 29<sup>th</sup> March 2017 and shall complete **two years on 29<sup>th</sup> March 2019**. Therefore, the appeal for inclusion of names of the said Association cannot be entertained."

**Decision of the Members of the Election Commission of FPCCI:**

While concluding the matter the Members of the Election Commission of FPCCI decided as under:

That, the Trade Organizations Act 2013 is explicit about the eligibility criteria pertaining to the voting rights exercised by the licensed Trade Organization in the Annual Elections of the FPCCI. In this respect Section 10(3) of the Trade Organizations Act 2013 and Rule 15(1) (a) of Trade Organizations Rules 2013 are reproduced below for perusal:

**Quote:-**

Section 10(3) of the TOA 2013 states that *A chamber or an association which is a member of the Federation of Chambers of Commerce and Industry shall be eligible to vote in the election of office-bearers and committees of the Federation on completion of two years of grant of license:*

**Unquote**

That, Section 10(3) of the TOA 2013 clearly determines eligibility criteria of the licensed Trade Organizations that, they shall only be eligible to vote in the election of Office Bearers, subject to completion of two years of grant of license.

Further, the **Rule(15) (a) of the TOR 2013** clearly states that the members become eligible to vote if the above specified period of two years is completed on the date of the announcement of election schedule.

In the instant case it is noticeable that the Appellant, **All Pakistan Copper Importer Exporter Association** was granted **license No. 248** by the Ministry of Commerce, Government of Pakistan on 29<sup>th</sup> March 2017 and as per the aforementioned section of the TOA 2013 narrated above their two years from the grant of license would complete on 28<sup>th</sup> March 2019.

Thus, in the light of the above quoted Section 10(3) of the TOA and Rule (15) (a) of TOA 2013, the **said representation is hereby declined, and the decision of the Secretary General is hereby upheld.**

As the law is explicit, in the subject matter, therefore, the Election Commission did not consider it necessary to summon the party for pleading the representation in person.
