### About Al-Mukhtar

**Al-Mukhtar** Flour Mills is an agro-based company dedicated to the production of wheat flour of the highest quality. Our products are specifically made in accordance to the quality requirements of our clients ranging from manufacturers of biscuits, pasta, cakes, confectionery industry, bread & bakery products, pizza and others house hold and consumer segments.

The flour we produce is made from local indigenous high gluten Pakistani wheat. AFM is an ISO 9001: 2000 certified company in Pakistan. We are a progressive organization with a team of motivated experienced and qualified staff, well equipped mills bearing technical capability encompassing a Buhler AG plant, with sophisticated paraphernalia for manufacturing of wheat flour and other wheat products with no compromise on “quality” while personalized service to our valued customers is one of the main facets of our business approach.

AFM is an social, environmentally conscious company and have implanted rigorous guidelines for waste management and social development of the society.
