

PROFILE

SHEIKH SULTAN REHMAN

Mr. Sheikh Sultan Rehman is a talented and senior businessman with more than 35 years of diverse experience in the field of textiles. He is result-oriented, having passion and commitment to succeed and widely recognized for credibility, strong work ethics and respected for leading through consistent collaborative style.

He was born in Karachi, Pakistan. He completed his early education in Karachi and proceeded to the United States where he completed Associate of Science in 1976 from University of Houston and Bachelor of Science in 1978 from University of Houston, Texas. His passion to learn and excel, led him to acquire latest skills and knowledge by taking many short courses regularly.

After returning to Pakistan in 1981, he appeared in and passed **C.S.S.** but did not join Civil Services Academy in Lahore due to opposition from family. He belongs to **Dehli Punjabi Sodagran** community and joined family textile business and served as Chief Executive of Unitex Industries (Private) Limited, a Karachi-based manufacturer and exporter of blended textile fabrics where he expanded his experience by working in all other aspects of the business.

Currently he is the C.E.O of **S.R. Twisting, S.R. Enterprises** and **Success Route** Karachi, Pakistan.

He plays an important and positive role in community and has written many short articles on business and economy. He was one of the founding directors of **Pakistan German Business Forum (PGBF)** and was elected **Director** for 2002-2003, 2004-2005 and 2008-2009. He was awarded **Shield by the German Ambassador to Pakistan** in recognition of outstanding services rendered to **Pakistan German Business Forum**. He served as **General Body Member** of **Federation of Pakistan Chambers of Commerce & Industry (FPCCI)** for several years and is actively involved in many trade, professional and social organizations.

He participated in many international trade delegations, exhibitions and conferences. He has travelled widely throughout Europe, U.S.A. and the U.A.E. Being exposed to diverse cultures through extensive traveling and varied experiences, he believes in the value of diversity and the existence of immense potential in individuals.

He is married and has two daughters and a son.
