The hearing was held in FPCCI Head Office Karachi and the Consuls of Complainant(s) and the Respondent(s) also attended and represented on their behalf. Arguments were advanced by both the parties, after going through the said arguments and the documents referred/ submitted, my finding are as follows;

1. During the hearing the council for Respondent has requested that to submit the desired documents which show that his nominee is entitled to be legitimate member of the subject Association. Despite of lapse of considerable time no documents were submitted till the closing of office time on November 15th, 2023. As such the Respondent has failed to establish his entitlement to be nominee on Corporate Class, despite the request made by his Council.
2. Whereas the judgment cited by the said complaint is binding on the FPCCI, whereas the said judgment are not applicable on the instant case.

The nominations received from the subject Association seem to be in-valid. Accordingly the objection(s) are accepted and the names of subject nominees are hereby removed from the Provisional Voter list.
