Findings by the Secretary General FPCCI:

1. The provisional list of voters was issued on 21st October 2026, and deleted the names of Pakistan Association of Automotive Parts & Accessories Manufacturers, on the ground that the nomination papers being formal documents carry scanned / pasted signatures, instead of inked signatures, and same status for subsequently received papers. Additionally, the scanned sets of papers were sent by Zonal Secretary, instead of Secretary General. Therefore, rejected.
2. The Association filed an appeal vide letter dated 23rd October 2026, alongwith the nomination papers, bearing original signatures of the Secretary General and Chairman of the Association, and reasoning that the earlier papers were submitted due to non-availability of the nominees at the time of filing, and both Chairman and the Secretary General duly authorized to use the scanned signatures.
3. The Secretary General and the Chairman of the Association, vide letter dated 22nd October 2026, certifying and confirming that the scanned signatures appearing on the nomination papers are authentic and duly authorized by the respective nominees i.e. Engr. M. Abdul Jabbar on EC&GB (Corporate) and Mr. Salman Saleem, GB Corporate.
4. However, the date of submission of original papers which was 15th October 2026, the Association failed to submit the original papers (with original signs), even on the date of issuance of Provisional list of voters on 21st October 2026.

Decision of the Secretary General:

In view of the above findings, FPCCI is constraint not accept the nomination papers of Pakistan Association of Automotive Parts & Accessories Manufacturers, hence Rejected.
